海上絲綢之路協會（海絲會）欣然慶祝成立三周年。回顧過去一年，海絲會面對新挑戰以及新機遇之際，同時不斷壯大。

為了在原有基礎上進一步擴展會務，海絲會於5月14日舉行特別會員大會。會上通過更改註冊方式，由《社團條例》註冊為法定社團改為按照《公司條例》註冊為「擔保有限公司」。在6月29日，海上絲綢之路協會有限公司正式成立。

過去一年，海絲會舉辦或參與的活動超過30項，包括論壇講座、訪問、文化交流活動，主要對象為年青人及專業人士。活動舉行的地點不限於香港。近至深圳，參觀深圳證券交易所；遠至希臘，舉辦《海上絲綢之路》中國語文及文化暑期課程。

海絲會主辦了多個具份量的論壇講座，包括2017年9月14日舉辦由悉尼大學商學院客座教授及海絲會顧問馬科恩博士主持的「粵港澳大灣區與『一帶一路』倡議研討會」；2017年11月17日，與荷蘭駐香港及澳門總領事館合辦「荷蘭——『一帶一路』天然的合作夥伴」研討會；及2018年8月27日，舉辦由中國南海研究院院長及海絲會顧問吳士存博士主持的南海形勢與「一帶一路」講座。

2017年11月，海絲會以上海合作組織秘書處（上合組織）為特別支持機構合辦題為「一帶一路與歐亞：現實·前景」的「一帶一路先鋒論壇」。上合組織在港期間，本人陪同代表團與政務司司長張建宗先生會面，討論香港與上合組織成員國如何推廣商貿聯繫。

值得一提是「張騫計劃——大學生暑期實習項目」，無論是工作性質和報名人數均有所增長。今年有18間機構贊助「張騫計劃」，其中包括兩間新加入的企業，合共提供185個名額，比去年增加接近兩成。海絲會收到800名同學申請實習名額，競爭十分激烈。實習的地方包括內地、東盟國家與其他「一帶一路」相關國家，遠至希臘和非洲的吉布提。

暑假期間，海絲會舉行了「一帶一路」大運河文化探索之旅，六十多名中學生及大學生前往杭州及寧波，探索大運河文化以及與國家「一帶一路」倡議的關係。

為支持國家「一帶一路」倡議之「民心相通」，海絲會將繼續舉辦多元化活動，讓香港各界人士，特別是青年人，瞭解內地以至「一帶一路」相關國家的發展機遇。

Maritime Silk Road Society (MSRS) is pleased to celebrate its third anniversary. Over the past year, MSRS had continued to go from strength to strength in meeting new challenges and opening up new opportunities.

To support further expansion of its services, MSRS held an extraordinary meeting on 14 May. At the meeting, a resolution was passed to change MSRS's registration under Societies Ordinance to incorporation as a limited company by guarantee under the Companies Ordinance. The Maritime Silk Road Society Limited was officially incorporated on 29 June.

In the past year, MSRS has organized or participated in more than 30 events, including forums and seminars, visits, and cultural exchanges focusing on youths and professionals. Events took place not only in Hong Kong but also away from Hong Kong. For example, MSRS organized a visit to the Shenzhen Stock Exchange in Shenzhen. A "Maritime Silk Road" Chinese language and culture summer course was held in Greece.

MSRS has organized several "heavy-weight" seminars. MSRS Advisor Professor Bruce McKern, UTS Business School, University of Technology Sydney, spoke at a seminar on "Greater Bay Area of China and the Belt and Road Initiative" on 14 September 2017. A presentation on "The Netherlands – A Natural Partner in the Belt and Road Initiative" was co-organized by MSRS and Consulate General of the Kingdom of the Netherlands in Hong Kong and Macao on 17 November 2017. MSRS Advisor Dr Wu Shicun, President of National Institute for South China Sea Studies, conducted a seminar on the South China Sea and the development of the "Belt and Road" on 27 August 2018.

In November of 2017, MSRS co-organized the "Belt & Road Innovation and Development Forum - The Belt & Road and Eurasia: Reality · Prospects" in conjunction with the Secretariat of the Shanghai Cooperation Organisation (SCO). I accompanied the SCO delegation to a meeting with Chief Secretary, Mr Matthew Cheung, for discussions on the promotion of trade and business ties between Hong Kong and SCO member countries.

Last but not least, "Operation Zhang Qian", MSRS's Undergraduate Summer Internship Programme continued to grow in diversity and youth participation. This year we have 18 host organizations, including two new companies, offering a total of 185 internship places for Hong Kong students, an increase of nearly 20% over last year. Competition was keen and MSRS received 800 applications for internship placement. Locations for the internship include Mainland China, ASEAN countries, and other "Belt and Road" countries as far away as Greece and Djibouti in Africa.

MSRS has organized the "Belt and Road Grand Canal Cultural Tour" during the summer vacation in 2018. More than 60 secondary and university students joined the tour to explore Hangzhou and Ningbo to deepen their understanding of China's Grand Canal culture and its relationship with the Belt and Road Initiative.

In support of the objective of strengthening "People-to-people bonds" under the Belt and Road Initiative, we will continue to organize a variety of activities to enable people from all walks of life in Hong Kong, especially young people, to understand the developmental opportunities of the Mainland and the Belt and Road countries.

海上絲綢之路協會昂首邁向三周年，實在可喜可賀。

三年前，海絲會把握契機，適時成立，積極推動「一帶一路」倡議，協助香港社會整體，特別是年輕新一代，應對「一帶一路」所帶來的機遇和挑戰。

三年後的今日，海絲會曾經舉辦或參與的活動超過一百多項，主要是青年活動，加深年青人對祖國以及「一帶一路」國家發展的瞭解和認識。

在「一國兩制」之下，不少內地企業以香港作為窗口「走出去」到「一帶一路」相關國家。香港在人才、法律制度及高科技領域方面擁有優勢。

青年人應知彼知己，既要認識國家的發展，也要知道香港可以發揮的作用，他們可協助深化人脈關係，尤其是在東南亞地區。海絲會的工作會朝這個方向，讓更多本地學生有機會往外地體驗，認識「一帶一路」之下東南亞國家本身的特徵，從而探索未來的機遇。

除了專為青年人而設的活動外，在過去一年，海絲會舉辦了多個以商界為對象的活動，如參觀「香港電訊網絡運營中心」、深圳證券交易所，邀請風險管理專家分享如何處理政治及信用保險。

我期望在「一帶一路」倡議之下，海絲會將繼續與社會大眾昂首闊步，邁向新里程！

My congratulations to all concerned on the 3rd anniversary of the Maritime Silk Road Society!

Three years ago, the MSRS came into being to actively promote the Belt and Road Initiative and assist Hong Kong society as a whole, especially the younger generation, to learn more about the opportunities and challenges arising from the "Belt and Road" idea.

Today, three years later, MSRS has organized or participated in more than 100 events, mainly youth activities, to enable young people to understand more about the development of the Mainland and the Belt and Road countries.

Under "One Country, Two Systems", many Mainland enterprises have used Hong Kong as a window to reach out to Belt and Road countries. Hong Kong possesses advantages in terms of talent, its legal system and international connections.

Young people should enrich themselves by understanding the development of the nation and the role that Hong Kong can play. They can also do more to deepen people-to-people relationship with such regions as Southeast Asia. MSRS will therefore work in this direction so that more local students have a chance to work and live overseas and explore new future possibilities for themselves.

In addition to activities for young people, in the past year, MSRS has organized a number of activities targeting the business sector, such as visiting the "HKT Network Operating Center" and the Shenzhen Stock Exchange. We have also invited risk management experts to share their views on insurance against political and credit risks.

I look forward to seeing MSRS continue to help develop Hong Kong people's understanding of the Belt and Road Initiative in future!

MARITIME SILK ROAD SOCIETY

本會為非牟利團體，宗旨為：

- 支持、配合國家的「一帶一路」發展策略，推動香港發揮地緣優勢、產業優勢、人文優勢，發展成為中國和「一帶一路」沿線地區的重要樞紐；
- 研究、探索香港在「一帶一路」策略下的發展機遇和出路；
- 推動香港與「一帶一路」沿線地區（特別是海上絲路起點省市及東盟各國）的經貿、商務、學術、教育、宗教、藝術等方面的經濟及人文交流；
- 加強公眾對「一帶一路」沿線地區（特別是海上絲路起點省市及東盟各國）歷史文化及現今發展狀況的認識；鼓勵青年把握「一帶一路」建設所帶來的發展機遇。

The Society is a non-profit making organization. The objectives of the Society are as follows:

- To support and complement China's "Belt and Road Initiative" and assist Hong Kong in taking full advantage of this initiative, leveraging the city's strong business, cultural and people-to-people ties with the Maritime Silk Road provinces and cities and the ASEAN and South Asian countries;
- To research and explore the developmental opportunities brought about by the "Belt and Road Initiative";
- To foster exchanges in trade, financial, economic, cultural, academic and educational exchanges between Hong Kong and the "Belt and Road" regions (especially the core coastal provinces of the Maritime Silk Road and ASEAN countries);
- To enhance public understanding of the history, cultures and contemporary developments of the "Belt and Road" regions (especially the provinces and cities along the Maritime Silk Road and ASEAN countries); and to encourage young people to seize the developmental opportunities provided under the "Belt and Road Initiative".

2014年9月，葉劉淑儀女士（行政會議成員、立法會議員兼新民黨及匯賢智庫主席）率領新民黨訪京，與發展及改革委員會官員會晤，認識國家所倡議的「一帶一路」策略，以及該策略所體現的「和平合作、開放包容、互學互鑒、互利共贏」精神。葉劉淑儀女士與訪問團成員意識到，「一帶一路」是非常宏大的發展策略，不但會革新亞洲的經濟格局，而且能為香港締造多樣機遇。

為了把握「一帶一路」所帶來的機遇，葉劉淑儀女士聯袂「21世紀海上絲綢之路」沿線各省市代表社團以及華僑社團（即發起團體）成立「海上絲綢之路協會」，目標為：支持和配合國家的宏圖大略；研究和探索香港在「一帶一路」策略下的發展機遇和出路；推動香港與「絲綢之路經濟帶」及「21世紀海上絲綢之路」沿線地區建立關係；加強公眾對「一帶一路」的認識，以及鼓勵他們掌握「一帶一路」建設所帶來的發展機遇。

海上絲綢之路協會於2015年5月成功註冊為社團。基於業務拓展，改為按照《公司條例》註冊為「擔保有限公司」。2018年6月29日，海上絲綢之路協會有限公司正式成立。

The idea to form "The Maritime Silk Road Society" originated from the New People's Party's visit to Beijing in September 2014 led by Mrs Regina Ip, Member of the Executive Council and the Legislative Council, Chairperson of New People's Party and Savantas Policy Institute. During the meeting with officials of the National Development and Reform Commission, Mrs Ip learned about the "Belt and Road Initiative", and the principles of peace and cooperation, openness, inclusiveness, mutual learning and mutual benefit underlying this initiative. It did not take Mrs Ip and other members of the delegation long to appreciate that this strategy has the potential to transform the economic landscape of Asia, and holds great promise for Hong Kong.

To capitalize on the opportunities inherent in this initiative, Mrs Ip decided to work with the organizations representing the provinces and cities along the 21st Century Maritime Silk Road, and the organizations representing the overseas Chinese communities in Hong Kong (the founding organizations), to set up a "Maritime Silk Road Society". The Society would help support and complement the implementation of this bold, ground-breaking initiative, identify opportunities for Hong Kong, promote stronger ties between Hong Kong and the countries and regions along the Silk Road Economic Belt and the 21st Century Maritime Silk Road, as well as public understanding of the objectives and opportunities of "Belt and Road".

The Maritime Silk Road Society was duly registered as a society under the Societies Ordinance in May 2015. In order to commensurate with its provision of services, the Society was registered as a company limited by guarantee under Companies Ordinance. On 29 June 2018, the Maritime Silk Road Society Limited was successfully incorporated.

張騫計劃——大學生暑期實習項目2018

Operation Zhang Qian – Undergraduate Summer Internship Programme 2018

海絲會於2016年首次推出「張騫計劃」，今年已經是第三屆，目的為促進香港大學生認識國家的「一帶一路」倡議，協助他們在此重大策略中尋找發展機遇及擴闊視野。

本年度的「張騫計劃」獲民政事務局撥款贊助，18間機構提供185個名額，為香港大學本科生提供機會，前往中國內地、東盟國家、「一帶一路」相關地區、希臘、非洲的吉布提，進行四至八星期的實習。

實習計劃收到逾800份申請表，海絲會在2月21日至4月6日期間舉行54節親身面試，邀請約600位同學出席。約90名學生成功獲派實習職位。

“Operation Zhang Qian” was initiated by MSRS in 2016 to help university students in Hong Kong to learn about the “Belt and Road Initiative”, seize the developmental opportunities offered by the Initiative and to widen their horizon.

Now in its third year, “Operation Zhang Qian” is sponsored by the Home Affairs Bureau and supported by 18 sponsoring organizations which have offered 185 internship places for Hong Kong undergraduates to work in mainland China, ASEAN countries, Belt and Road regions, Greece and Djibouti (Africa) for four to eight weeks.

More than 800 students submitted applications under the internship programme. From 21 February to 6 April, about 600 applicants were invited to attend 54 face-to-face interview sessions conducted by MSRS. Around 90 students were shortlisted and offered internship places.

「張騫計劃」同學會
“Operation Zhang Qian” Alumni Network

「張騫計劃」同學會成立於2016年，旨在延續「張騫計劃」的成功，以增強實習學生、公司及本會彼此間之聯繫，同時為學生發掘更多發展機會。

「張騫計劃」同學會於1月23日舉辦「知己知彼·成就將來——職業導向講座」，介紹不同行業的前景及入職要求，並解答同學關於就業、求職及未來事業發展的問題。

海絲會邀請了三位嘉賓主持講座，他們分別是：譚榮邦先生（前資深政務主任、退休前為郵政署署長）；容海恩女士（立法會議員、海絲會青年機遇委員會副主席）；林植廷先生（Pelican Consulting Limited 高級顧問、前生產力促進局副總裁）。

在講座上，三位嘉賓與40位參加者分享了如何投考政府職位（包括政務主任）、成為專業人士的準備，以及從何途徑加入法定機構或專業團體等。

“Operation Zhang Qian” Alumni Network was formed with the vision of encouraging continued success from the internship programme. Maritime Silk Road Society (MSRS) believes that a close relationship between interns, companies, and MSRS can result in great boosts to interns’ future.

On 23 January, a career talk was organized, featuring prospects and requirements of different careers, job hunting and career opportunities.

The speakers of the talk included Mr Tam Wing-pong (veteran Administrative Officer of civil service last holding the office of the Postmaster General before his retirement), Ms Eunice Yung (LegCo member and Vice-Chair of MSRS Youth Opportunities Committee) and Mr Tony Lam (senior consultant of Pelican Consulting Limited and former Director of Hong Kong Productivity Council).

During the talk, the speakers shared with 40 participants their experience in the preparation for applying civil service posts (including Administrative Officer), about requirements for becoming a professional and joining statutory and professional bodies, etc.

難忘的經歷

在待人處事方面，我學到了與同事和上級一起用餐的中國文化。我明白到每個人都必須一個接一個地圍著桌子敬酒。我們被要求每個人站起來發言，敬酒。

我也注意到香港工人和內地工人的工作態度不同。大多數香港工人在履行職責時表現良好，但很少有人願意作出職責範圍以外的行動。不同的是，大陸員工更關心他們的公司，更願意採取比要求更多的行動。例如，酒店的服務員問我是否可以幫忙在網上推薦他們的餐館，即使沒有人告訴他這樣做。

我也有機會體驗不同的文化。例如在寧夏，它的食物主要是酸辣辣的。最受歡迎的肉是羊肉。天氣乾燥，陽光充足。溫度不是太高，但太陽很強烈，皮膚會感到刺痛。男性似乎比女性有更重的方言口音。他們有一個很長的午休時間，工作人員可以小睡一下。他們沒有固定的午休時間，可見公司十分信任其員工。

我在半島的學習旅程

在曼谷半島酒店過去的六星期實習旅程，我分別安排到宴會部同大堂的餐廳工作，各部門實習日子為三星期。在剛開始的數天，公司的人事部同事為我安排了迎新活動和與認識不同部門的同事，藉以加深對公司的認識，有助適應新的工作環境。

在餐飲部工作，是一個訓練個人反應和增進溝通技巧的良好平台。每次活動前的籌備工作，我們必須依照客人或公司已有的概定標準為場地進行佈置，預備餐具和清潔工作。

同事們樂於助人和認真工作的態度實在令人敬佩！每次我遇到工作上的疑難，他們都會盡力去解答，甚至會從旁鼓勵我多加發問和嘗試。在工作期間會遇到客人詢問，慢慢地學習細心聆聽別人的說話再作出回應，或冷靜地面對問題，尋求適當的解決辦法正正是人生學習的一課。

我很感恩有機會加入半島曼谷的大家庭，成為他們的一份子！這裡我學到的東西遠遠比想像中多…除了工作的閱歷，溝通技巧，語文水平，基本餐飲業的知識外，最重要是人與人之間難能可貴的「情」。

Becoming a Talent Scout

CR Group is a famous state-owned enterprise. With large number of departments and staff, I was assigned to work with the recruitment team of the human resources department – screening resumes, liaising with the candidates, conducting the first and second interviews.

During the screening process, I noticed that the company always wanted to find the “most suitable” candidate instead the “best” one.

Working with the human resources department, I had the opportunity to become the interviewer in the onset stage. Before the first interview session, I was nervous about how to ask questions. I wrote down what I should ask and went online to explore more about the questions. The candidate arrived and we went to the interview room to kick off the interview. The interview went on much smooth than I expected. For most interviewers, common questions of self-introduction and reasons for choosing the company were asked. Of course, while some interviewees answered without any hitch, some of them prevaricated with hum and haw. I noticed that the candidates with poor performance were those lacking preparation or those who were nervous and anxious.

Through my experience with CR Group, my internship not only allowed me to gain a better understanding of how to become a “talent scout” but also to be a good candidate for future job interviews.

在中國銀行實習的體驗

在北京和香港的培訓課程中，我更全面了解到了中國銀行在世界各地的發展，目標與各個部門的主要職能。不僅如此，我還具體學習了商業禮儀，溝通技巧和基礎銀行產品等實際技能。

在泰國實習期間，被委派到了信用卡部門的催收團隊工作。我的上司Ms.Nitcha就給我一些有關整個信用卡部門和催收團隊的整體架構的文件，並對我詳細講解。我負責製作部分報告和準備賬單，以及翻譯文件；同時也有幸參與協調與資訊科技部門合作進行系統優化的項目，還學到了撥打催收電話的技巧和其他報告。

Ms.Nitcha和其他導師同事除了工作時悉心教導我，也邀請我和其他同事下班後一起吃飯和唱卡拉OK，一起聊天和請我吃零食。他們還很熱情地向我介紹了泰國當地著名景點和美食，令我充分感受到了同事之間的融洽相處和整個團隊的凝聚力。

透過交流實習，我學會了電腦的技巧與銀行業務的操作，得到不同導師的悉心指導，結識了很多志同道合的朋友，感受到了北京、香港與泰國之間不同的文化，也成功把自己的英文專業知識應用到工作裡，啟發了我對未來職涯發展的構思。

My Voyage of Discovering Greece

During the period of internship, we saw real estate redevelopment and Sino-Greek cooperation. For instance, the founder of Crystal Waters (our host company), was trying to build infrastructures for tourists while searching for potential clients from China to join the program. A number of business women visited Lefkada in Greece. Upon witnessing the reviving economy in Greece, they decided to take their chance to invest. I can see that the collaboration between China and Greece brings much advantage to the local economy and to the development of relationship between the two countries.

Our colleagues in Greece were nice and friendly. They told us about the myths and history of Greece, ranging from Athena to Apollo. Sometimes, they shared with us their experience of the previous economic crisis and how they fought against it. They finally encountered the opportunities of the Belt and Road Initiative which provided them with job opportunities and helped boost the country's economy. We served clients from China and we tried our best to explain what we had learned in the course of our internship about the return on investment under the real estate plans.

Besides, we also assisted in organizing events and met students from Greek universities. They were cheerful and their smiles delighted us all. They shared with us their everyday life on this charming island – swimming in the afternoon and hanging out at night. We had never thought that nights in Greece could be as entertaining as in Hong Kong. Shops in town were open at night with people wondering on the streets, children running around the square and laughter was everywhere. I could feel the sense of joy in the air as we inhaled happiness while exhaled the grumbling lodged in our body.

A Once-in-a-lifetime Experience in Djibouti

We worked in IDIPO, or International Djibouti Industrial Parks Operation F.Z.C.O., in which China Merchants Port has a share of. I am so grateful that we were given the chance to work in this Company at the opening of the Djibouti International Free Trade Zone. A lot of preparatory work had to be undertaken in advance to ensure a smooth opening ceremony, alongside with an exhibition and economic forum.

As a rookie in this Company, what I did was mostly translation. It might seem like a boring job, but it turned out to be the exact opposite. We translated all sorts of documents, from meeting minutes of Board meetings, rules and regulations, to invitation letters and speeches. Through translation, not only did we learn more about the operation of the Company and IDIPO, we had also improved our English skills tremendously.

The most memorable part of this whole internship experience was to be a consecutive interpreter. My job as a consecutive interpreter was to translate the speech of guest speakers from Chinese into English. At the welcome banquet for a series of events celebrating the opening of Djibouti's new free trade zone, I was honored to be an interpreter for one of the guest speakers and had to translate what he said in Chinese into English in front of over 200 people, among them were government officials and leaders from multinational corporations. I was so nervous that my hands were sweating. I tried my very best to stay calm and to stabilize my voice so that I did not sound too trembling. It was a challenging but rewarding experience in my life. I was proud of myself and I was thrilled that my efforts were recognized by the staff in the company.

More importantly, I was able to learn more about China's 'Belt and Road' Initiative. During the opening of Djibouti International Free Trade Zone, I was contributing my efforts, albeit small, to the construction of the Belt and Road. Only by getting involved personally in this project I witness what this initiative could bring about to local development, and how the port and the free trade zone could generate a positive impact to this small country at the Horn of Africa.

A Glimpse of the Greater Bay Area Through the Lens of New Retail

As a renowned convenience store brand affiliated to Dairy Farm, 7-Eleven South China was founded in Shenzhen in 1992, with business develops predominantly in Southern China region. This internship opportunity allowed me to gain insight into the operation of 7-Eleven South China, via rotating jobs at both the front-office and the back-office sectors.

I first worked in a local store for one week, with a view to acquiring hands-on experience in customer service. Then, I conducted research on the competitive business environment for the Retail Support Department for two weeks. Lastly, I assisted in the operation of the Marketing Department to learn about digital and Point of Purchase (POP) marketing. For instance, I was given the opportunity to conduct field study on customers' feedback on electronic display boards and new store environment, and drafting advertising posts for 7-Eleven South China's WeChat official account.

Thanks to the invaluable chance, I became more familiar with the prevalence of mobile pay and O2O services in Southern China. Various business opportunities arise from recent technological breakthrough as well, whilst 7-Eleven had collaborated with Union Pay to launch a "Union Pay 10-5 Price Reduction Scheme" to promote membership loyalty. Apart from increased conceptual understanding, I was impressed by the ample opportunities to interact with all walks of life in Guangzhou, which significantly enhanced my communication skills. Moreover, I found the close connection for multilateral exchange and learning between 7-Eleven in Hong Kong, Macau and Singapore (which are all under Dairy Farm) impressive. Such connection signifies the solidarity and can-do spirit of the company.

I really cherish the constructive advice given by and thought-provoking interaction with my colleagues. Through this learning experience, I gained a better understanding of the Greater Bay Area and learned to adopt an open-minded attitude in work and life.

Leaving Guangzhou with infinite gratitude

中希文化之共融

希臘，每當別人提起這個國家時無不想起聖托里尼的藍白色小屋或是一個又一個浪漫而帶點獨特的小島。然而，當我真正與當地人相處和參與由公司所舉辦的活動後，讓我感受到儘管彼此間所擁有的背景和文化不一樣，但隨著全球化和一帶一路的交流底下，隔閡慢慢地打破，甚至變得容易相處，關係更加緊密。

還記得為公司新樓盤落成而舉辦的一系列活動和宣傳時，印象最深刻莫過於舉辦一場中國與希臘的籃球友誼賽。是次活動由籌備過程到活動當日，我有幸參與每一個的細節，尤其是跟當地著名籃球員商討比賽的形式甚至一起構思讓當地居民也能參與的小競技賽的過程中，很多時候大家都不謀而合，過程十分順利。

在比賽當天，參與球賽的除了一班希臘著名的籃球員和我們來自中國和香港的員工外，萊島市長和駐北京希臘大使也有參與其中。在球場上，無論中國隊還是希臘隊，每隊均有來自不同國籍的球員。而我則為中國隊出戰。雖然大家不認識甚至語言不通，但運動可謂世界性的語言，彼此都全力以赴。在場外用簡單的身體言語和英文作戰術的部署和激勵彼此。最後隨哨子聲的響起，中國隊僅以三分之差落敗希臘隊。

比賽第二，友誼第一。賽後各國球員無不在場內拍照留念和相聚。在照片中見證著中希關係共融的黃金三十分鐘。我相信這不是終結，而只是拉起中希關係的序幕而已。

我在嘉里大通的實習

為期一個月的實習轉瞬間便結束了。直到現在，我仍然難以相信自己竟被選為唯一的實習生前往成都分公司實習，實現了「在畢業前能到物流公司實習」的小小目標。

在這次的實習中，我一共有四項任務——協助申請醫療器械運輸許可證，西部地區鐵路發展商業計劃書，進行學術分享，並在離開前對公司進行SWOT分析。

坦白來說，Duncan（我的上司）在分配這四項工作給我時是完全沒有任何指導，限制和框架的。他給我的唯一提示便是要多與同事交談。我很快就意識到Duncan實際上是想要鼓勵我走出自己的安舒區——現今的商業世界競爭十分激烈，若然一味依賴其他人指導你去工作，機會和機遇是不會找上門的。

的確，在勇於踏出第一步前，我從未想像過我能夠與四川藥監局的處長通電話，與不同許可證申請代理報價，和同事討論和分享重慶與成都分公司間的鐵路貨運資訊，參觀整個龍泉倉庫並分析其優劣勢……

別人對你的期望比你想像的要多，但實際上我們能達到得程度亦遠比你想像的更高。

A Valuable Internship Experience

In my first week in Beijing, I was assigned to International Finance Institute of Bank of China for training sessions. It was a priceless experience for me as I could have a chance to know more about the strategies of BOC under the world's dynamic economic condition. In between all the training sessions, I found the lesson about financial technology the most fascinating. The lecturer talked about how BOC used different kinds of technology to bring convenience to the customers while avoiding potential risks.

In the second week, I stayed in Hong Kong and went to Bank of China Centre to continue my training sessions. I found that the session about banking operations very interesting. I learned that money and cost were the first priority when a bank tries to set branches in another country. However, talents and the local government regulations are also vital factors that we have to consider.

In the following weeks, I went to Thailand and worked in Bank of China (Thai) Public Company Limited. I worked in the Loan Administration Department under Risk Management. I also worked in the credit risk department, being responsible for preparing credit risk proposals for the clients. In this job, I had to evaluate credit risk by analyzing different kinds of indicators and government regulations, etc. At the very beginning, I thought that only looking at the amount of profit will be enough to determine the level of risk. However after this internship, I understood that actually there are many other kinds of indicators and factors that affect deeply on level of risk of the company.
