

Highlights of Scholarships in Türkiye:

How to Apply

- Applications can only be made individually through <http://www.turkiyeburslari.gov.tr> by the candidates. There are no institutions or persons authorized to apply for Türkiye Scholarships.

CoHE Scholarship for International Students

- It is aimed for international students at undergraduate and graduate levels in countries signing protocols with the Council of Higher Education.
- If students who are admitted in Turkish higher education programs do not have Turkish Proficiency Certificate, a one year language preparation is offered to the students.

Türkiye Scholarships

- In addition to providing financial support, Türkiye Scholarships allow international students to be placed in the university in their intended application program.
- In addition to university education, this Scholarship Program also covers the needs of students such as accommodation and health insurance during the education period.

Türkiye Scholarships offers a range of programs designed for each level of study, providing different forms of support, ranging from full-time degrees to short-term specialized programs as well as tailored and partnered programs for specific target groups.

Candidates are provided a university and academic program guide through Türkiye Scholarships Information System: <https://tbbs.turkiyeburslari.gov.tr/> during their application process. The universities and programs offered can also be accessed through the comprehensive search engine: <https://turkiyeburslari.gov.tr/scholarshipsearch>

Full-time scholarships

- Undergraduate Scholarship Program - can be applied in many fields from engineering to health sciences, humanities to social sciences.
- Graduate Scholarship Program - various programs are offered at Master's and PhD levels in the fields of social sciences, humanities, natural sciences and engineering.
- The scope of coverage: full-time undergraduate, graduate or doctoral students are provided monthly pocket money, tuition fee, a one-time round-trip flight ticket, health insurance, accommodation and one-year Turkish education.

Türkiye Scholarships does not only provide scholarships to students but also university placement.

Short-term scholarships

- Success Scholarship Program - covers only monthly pocket money.
- Research Scholarship Program - to encourage international researchers and academics to cooperate with Turkish academics in the most prestigious universities of Türkiye and to collaborate on academic research in their respective fields.
- Turkish Language and Culture programs - a summer school program for Turkish is a program designed for international students who speak intermediate Turkish and want to improve their Turkish language skills.
- The scope of coverage: mainly Monthly pocket money and others as applicable.
