

Hunter International Travel and Tourism has engaged in the tourism industry for 20 years. With China, Taiwan, and Indonesia as the main target markets, it focuses on exhibition reception, conference incentive, large scale events organisation and planning, and reception for high-end business clients.

By having a serious work attitude, attention to detail, and being professional, it has become one of the most popular award-winning UAE based Chinese travel companies. One of the prestigious awards it has earned for many times is the Ten Thousand People Club Award. Nevertheless, it is the only Chinese member of Dubai Convention Bureau.
